

HAVE YOU EVER HEARD OF

NORYANGJIN IN SEOUL?

IT IS THE GATEWAY FOR BOTH
FRESHMEN* AND
JOB SEEKERS ALIKE

*TL NOTE: 'Gosisaeng' is a freshman studying to become judge/prosecutor/lawyer, journalist, doctor and so on..

Escape from your chains / all the prejudices, forget about
aiming for a private academy, we are the perfect answer!

You really think I'll believe something like that?
It sounds too good, for it to be true

Then, why am I here?

My dream . . .
is to become a civil servant

But in the meantime,
I have been living a unproductive life...

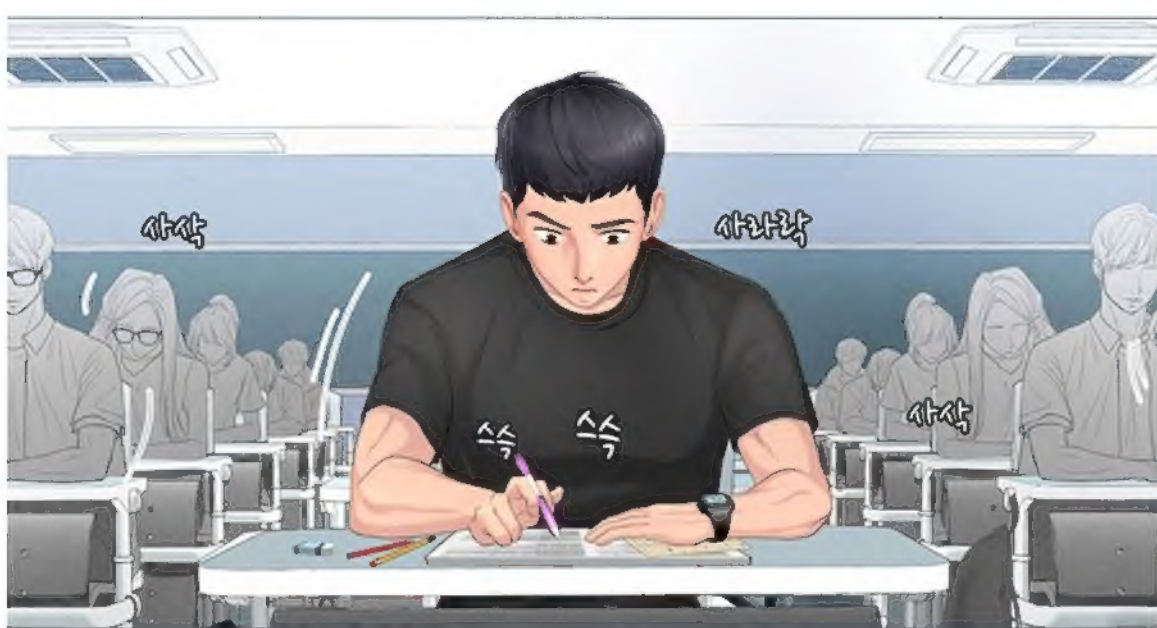

A man with dark hair, wearing a white t-shirt, black track pants with white stripes, and a black backpack, is looking down at a smartphone. He is standing in a crowd of people, some of whom are also wearing backpacks. The background is slightly blurred, showing other people and what appears to be a sign with Korean text. A speech bubble from the man contains the following text:

THIS IS THE LIST OF THE DOCUMENTS NEEDED FROM THE APPLICANT TO HAVE THE RIGHT TO REGISTER TO OUR TEST, DON'T FORGET TO PRINT THE PRESENT...

I'll just have to tough it out for a couple years until I become a civil servant

I'll do everything I can,
study as if my life was on the line,
learn as much as possible,
that way I won't have to worry
about getting a job later

Which test was the easiest to pass?
That didn't matter to me

It seems difficult because you think it is difficult.
But I'm different.

These people keep pretending to study

But I'm different!
I will study hard

Within one year,
I will be done!

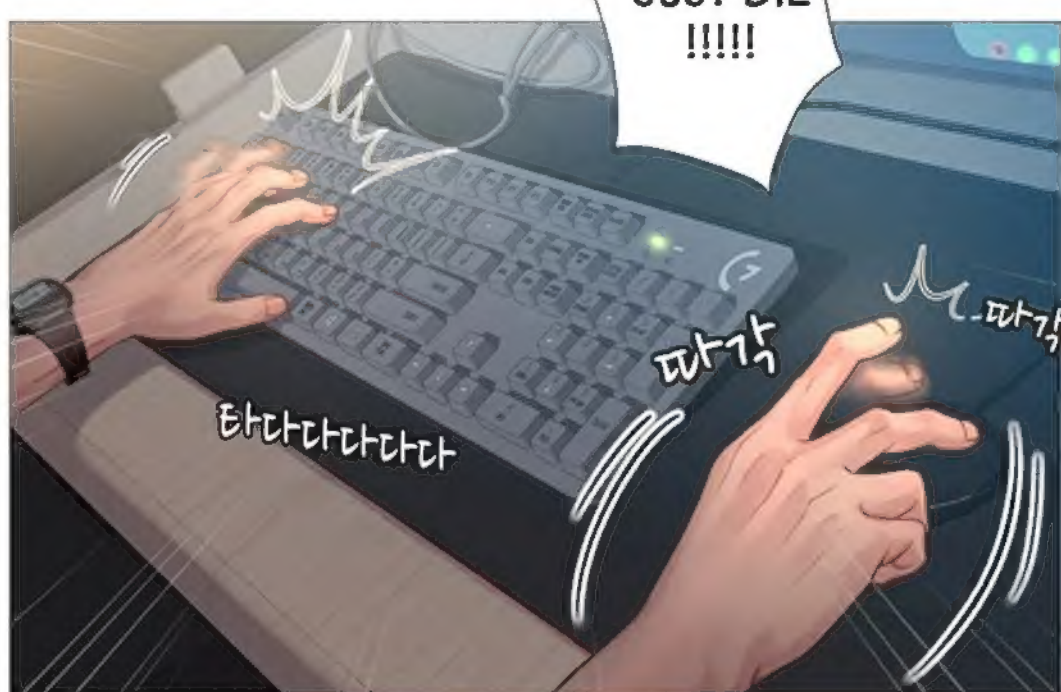

I GUARANTEE IT!!

I'm going to work
my hardest...

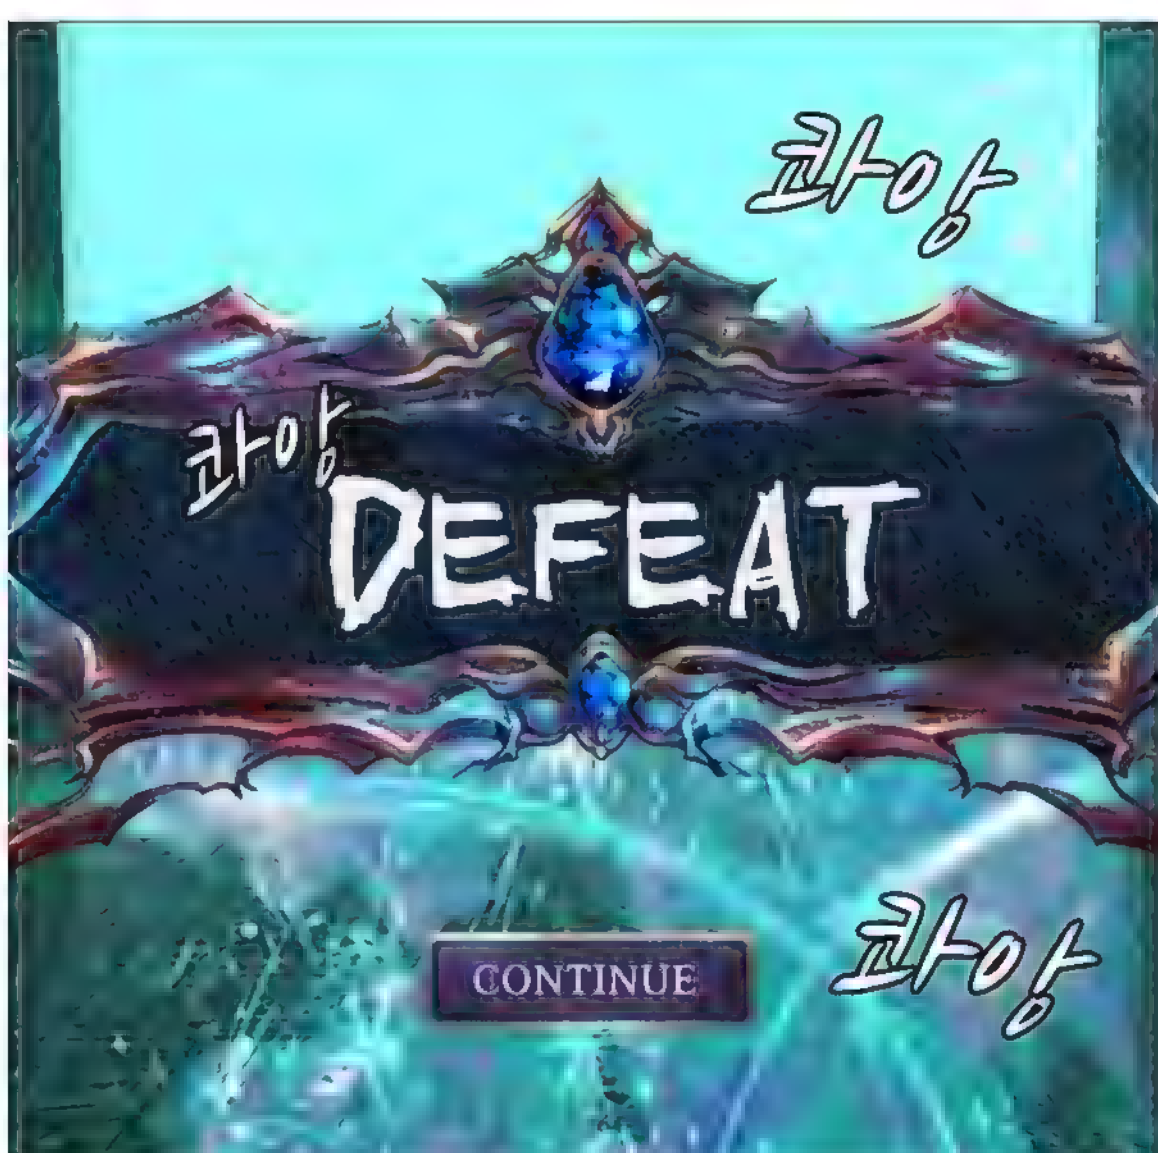

OH
GOSH!

JUST DIE
!!!!

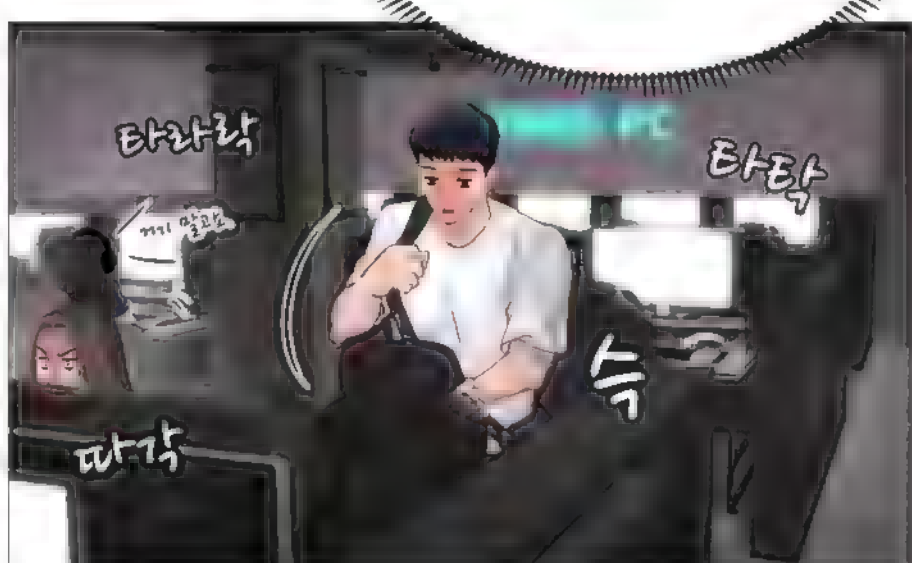

타타타타타타타

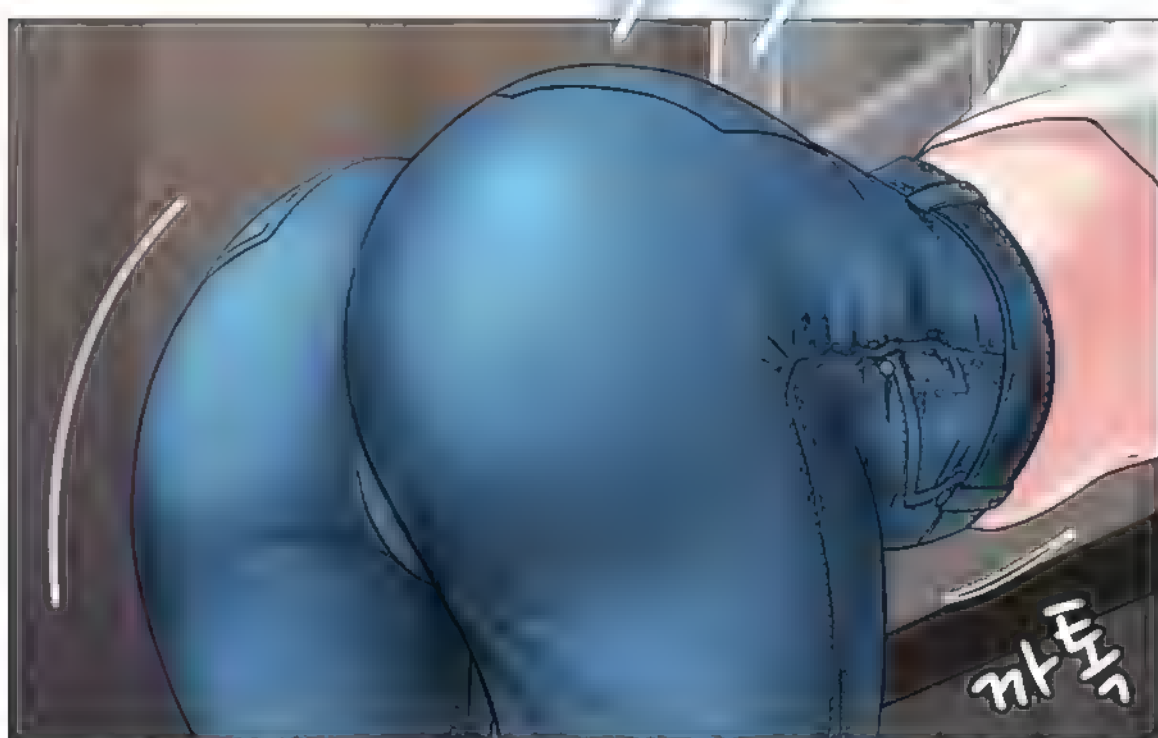

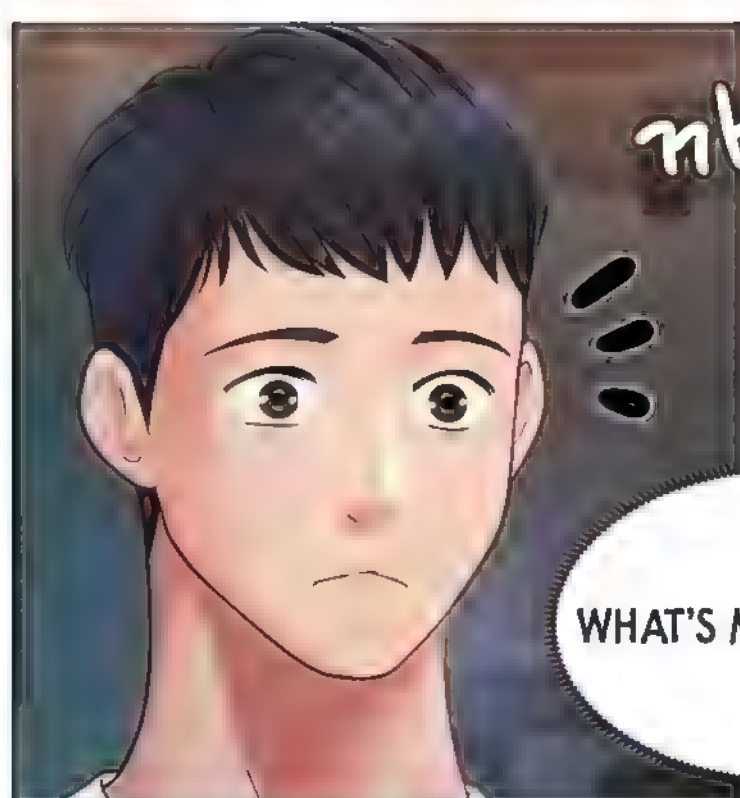

I SAID I WAS DIFFERENT...
SO WHAT AM I DOING
IN THIS PC ROOM

WHAT'S MY REASON...

WHO IS IT...
WHEN I'M AT WORK?

자둥

SHE'S THE REASON
WHY I'M HERE!!!

NOW THAT I'VE
RELIEVED MY STRESS,
I NEED TO GO BACK
TO STUDYING

DIDN'T YOU KEEP LOSING?

The microwave is heating the food... It was the last packet of sauce remaining...

If you're the last
one to get rice
shouldn't you make
more for others?!

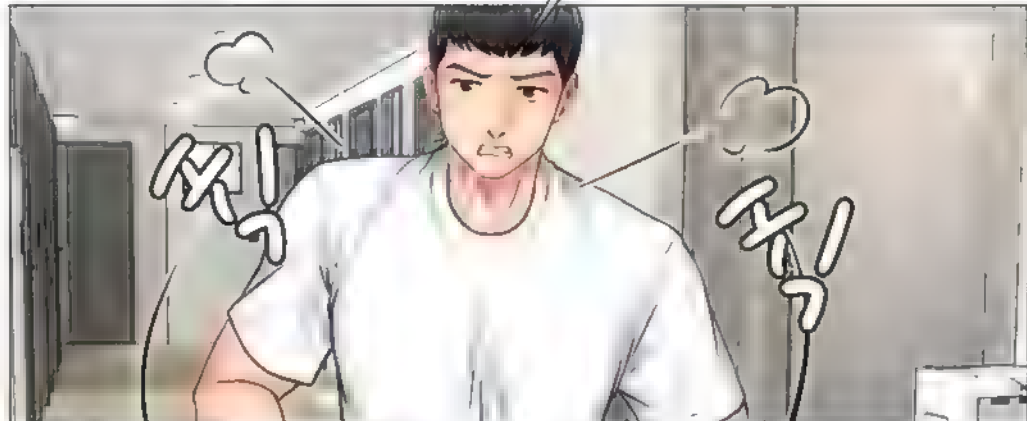

I'm so hungry,
should I just go out
to eat?

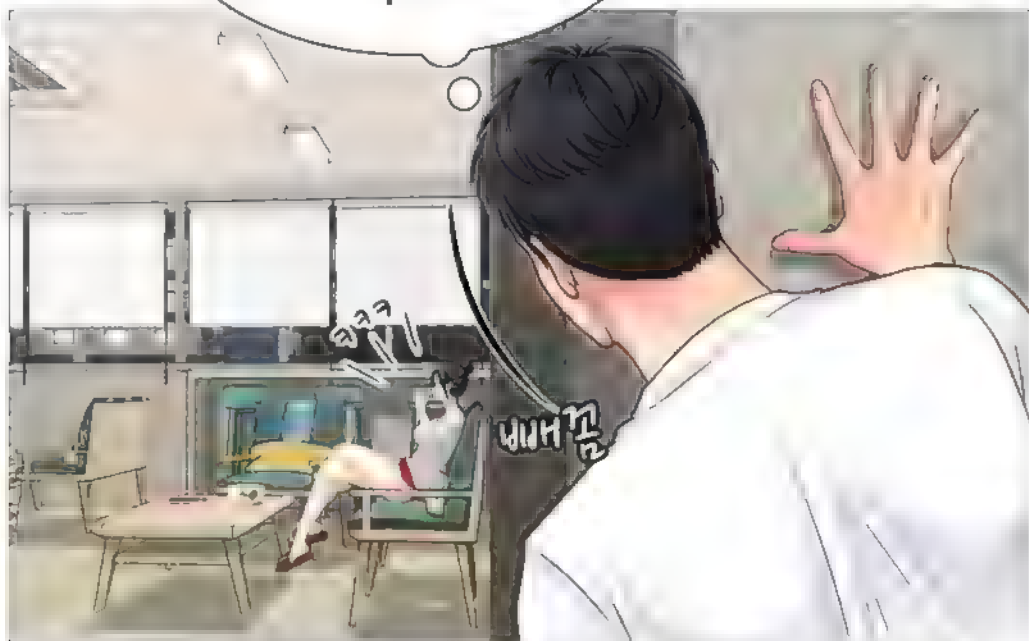

If you laugh that loud,
everyone will be able
to hear you!

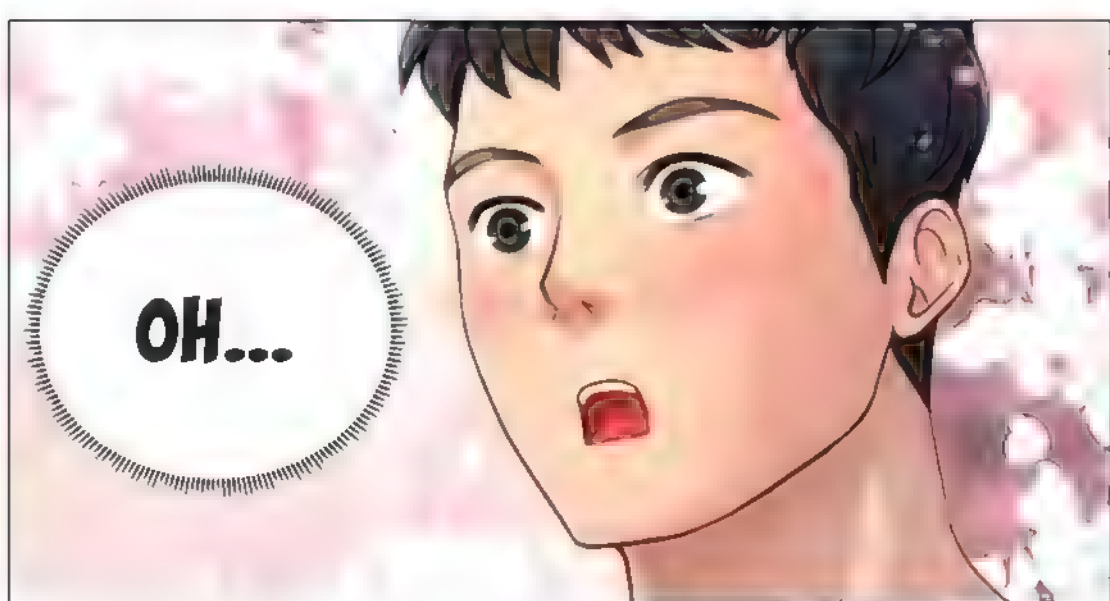

I have to go
say something...

Don't tell me...
this noona is the
person in charge of
the place..?

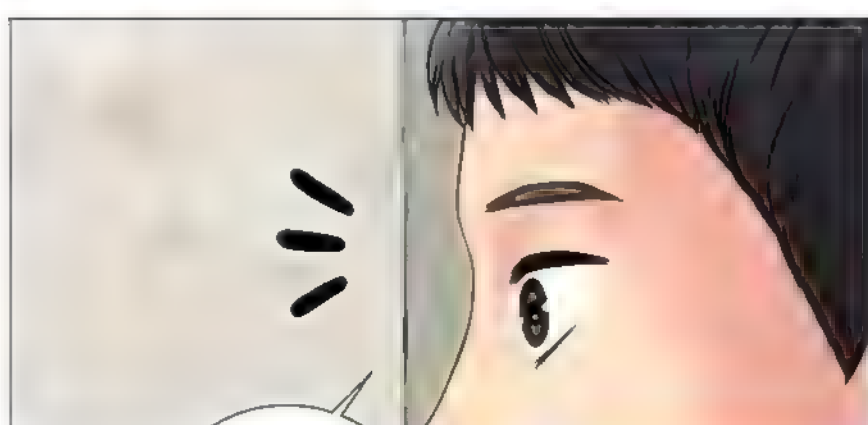

Is she new?

와...

How long has she been here?

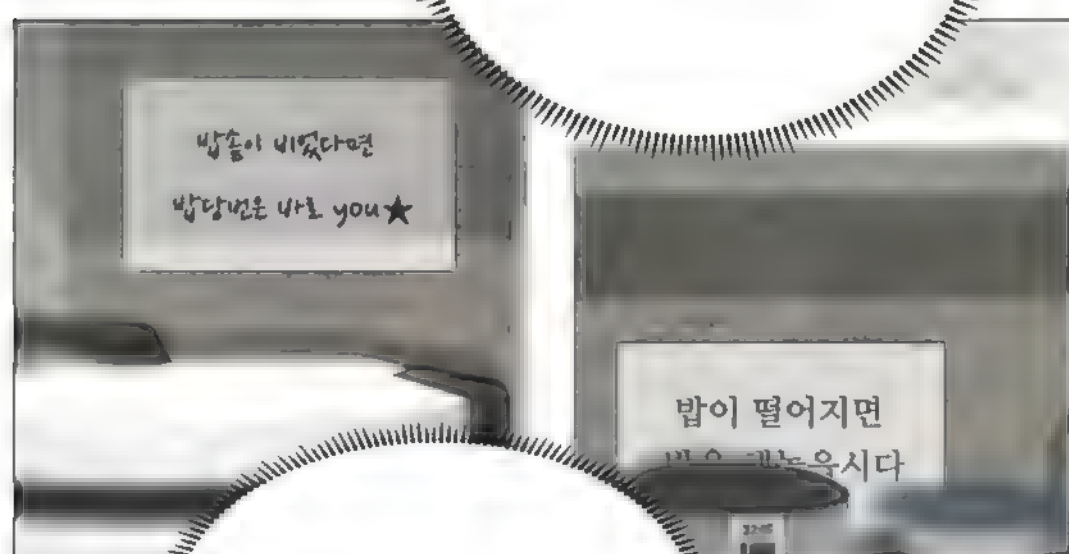

Eh?

uh that rice

The last person should
always make more rice

Then that means...

HUH!!
You were the last person?
And you didn't make more!!

Excuse me!

If the rice cooker runs out,
shouldn't you make more?
What about the next person?

Thanks to you there's
only squid sauce left

While you were waiting
for your meal, why didn't
you make more?

You couldn't have missed
the sign since it was posted in front
of the rice cooker, you're such

a selfish person!

sigh

Here, it's still hot...

Can't we share it?

이런

Are you not going to taste it?

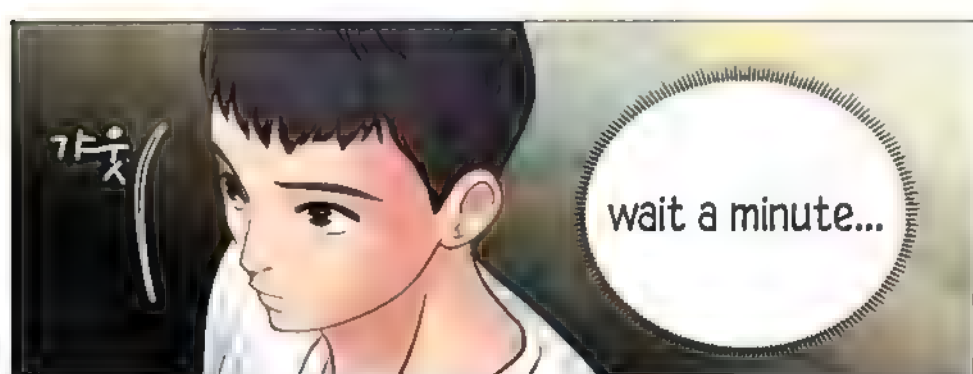

I made too much for me to eat alone...

Oh... Sorry....

There was no spicy packaging
in the trash can was there?

There was no spicy packaging
in the trash can, you didn't cook

Really? Yeah~

You're so smart ~

yourself again?

Didn't I tell you
at the beginning of
the semester to get along
with your seniors?

It's good to eat with
others, you can get useful
information from other
people no? You need to do
it more often~

Ah...well... yes...

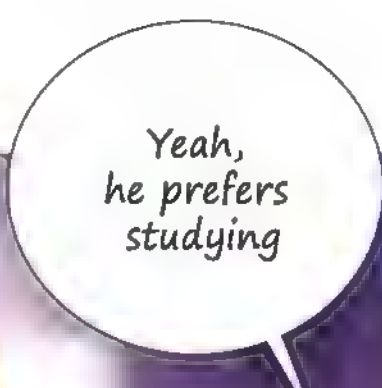

How is she?

WOAH!!

This time we have
a new student
who's 21

We're going to study too,
you know...

Yeah We're going to study,
but...

Before that,
can't we make a stop at
Hyeo-Jin's room first?

My room... Why?

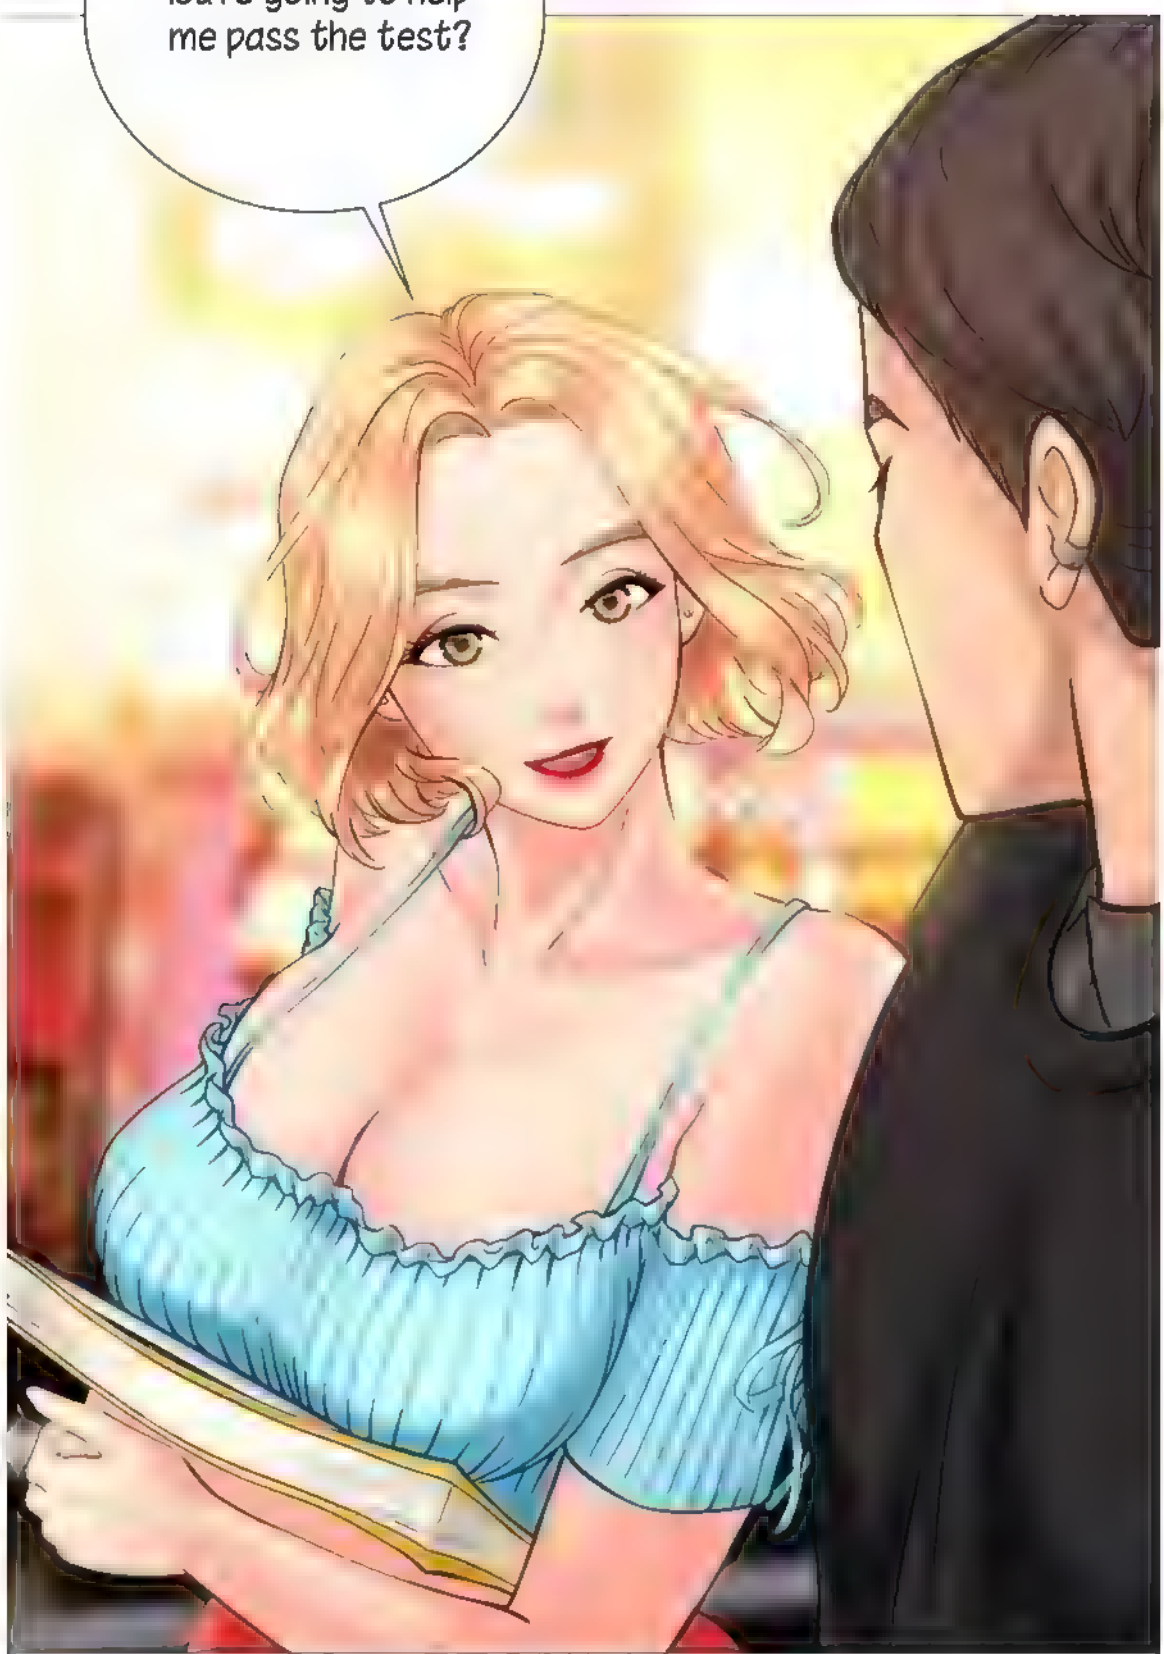

GOSHIWON!
SCANS

Your Oppa is proficient
in Feng Shui Geomancy, just by
looking at your room I can tell if
you'll succeed or not your test

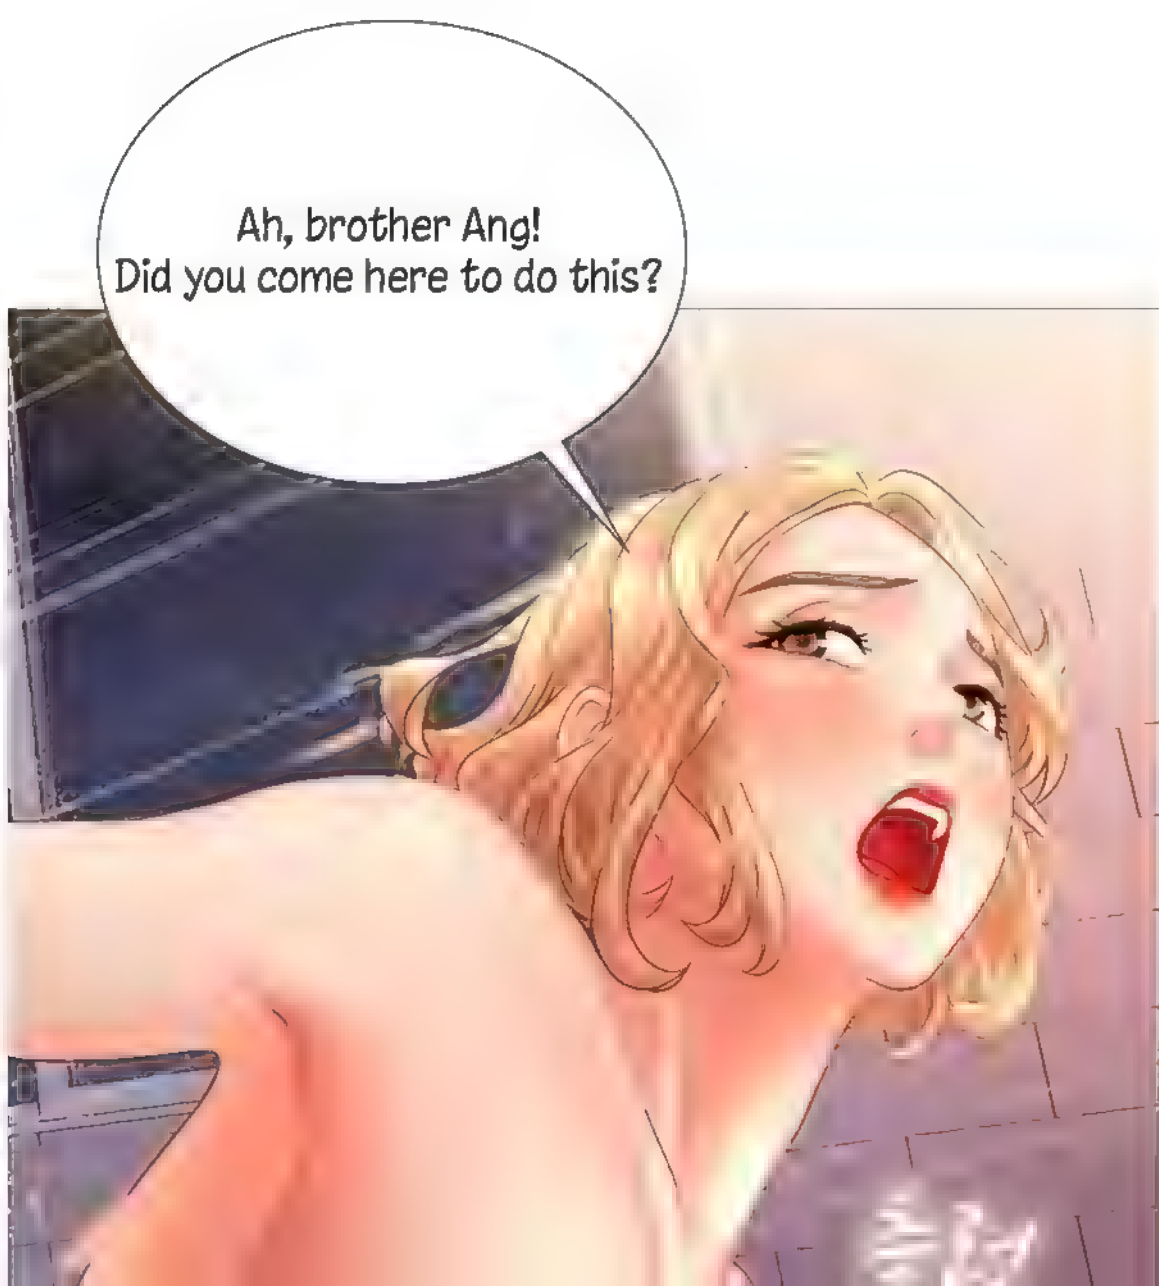

Our little Hyeo-Jin
doesn't want to fail so
I'm going to everything in
my power to make
sure you'll succeed

What do you think?

You're going to help
me pass the test?

Hyeojin's room is...

The setting's not bad.
That... what should I say?
It's a structure that doesn't
release your desires properly.
You know, Feng Shui is a practice
which uses energy to harmonize
individuals with their
surrounding environment

HAA, NMM! WHAT
SHOULD I DO
ABOUT THIS?

What are the three desires
of humans? Aren't they known
as appetite, sleep and sex?

You need to have
those three things in order
to be in the best state for
getting the best results

But Oppa,
why are we having sex?

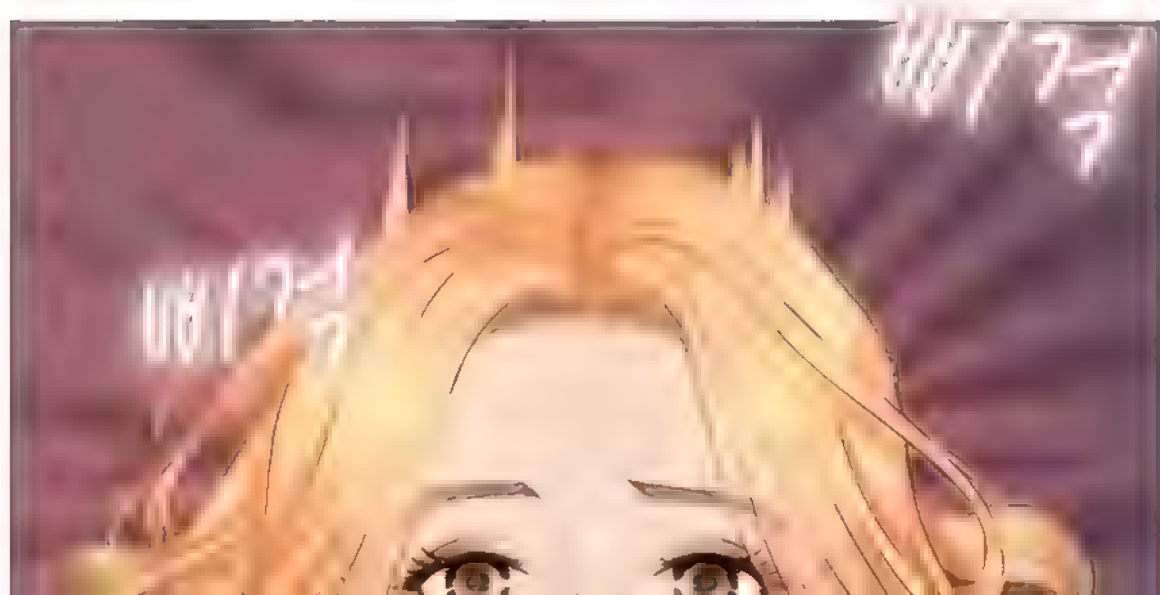

I've already said
Hyeo-Jin's room is a structure
that doesn't allow you to
release your hidden
desires, right?

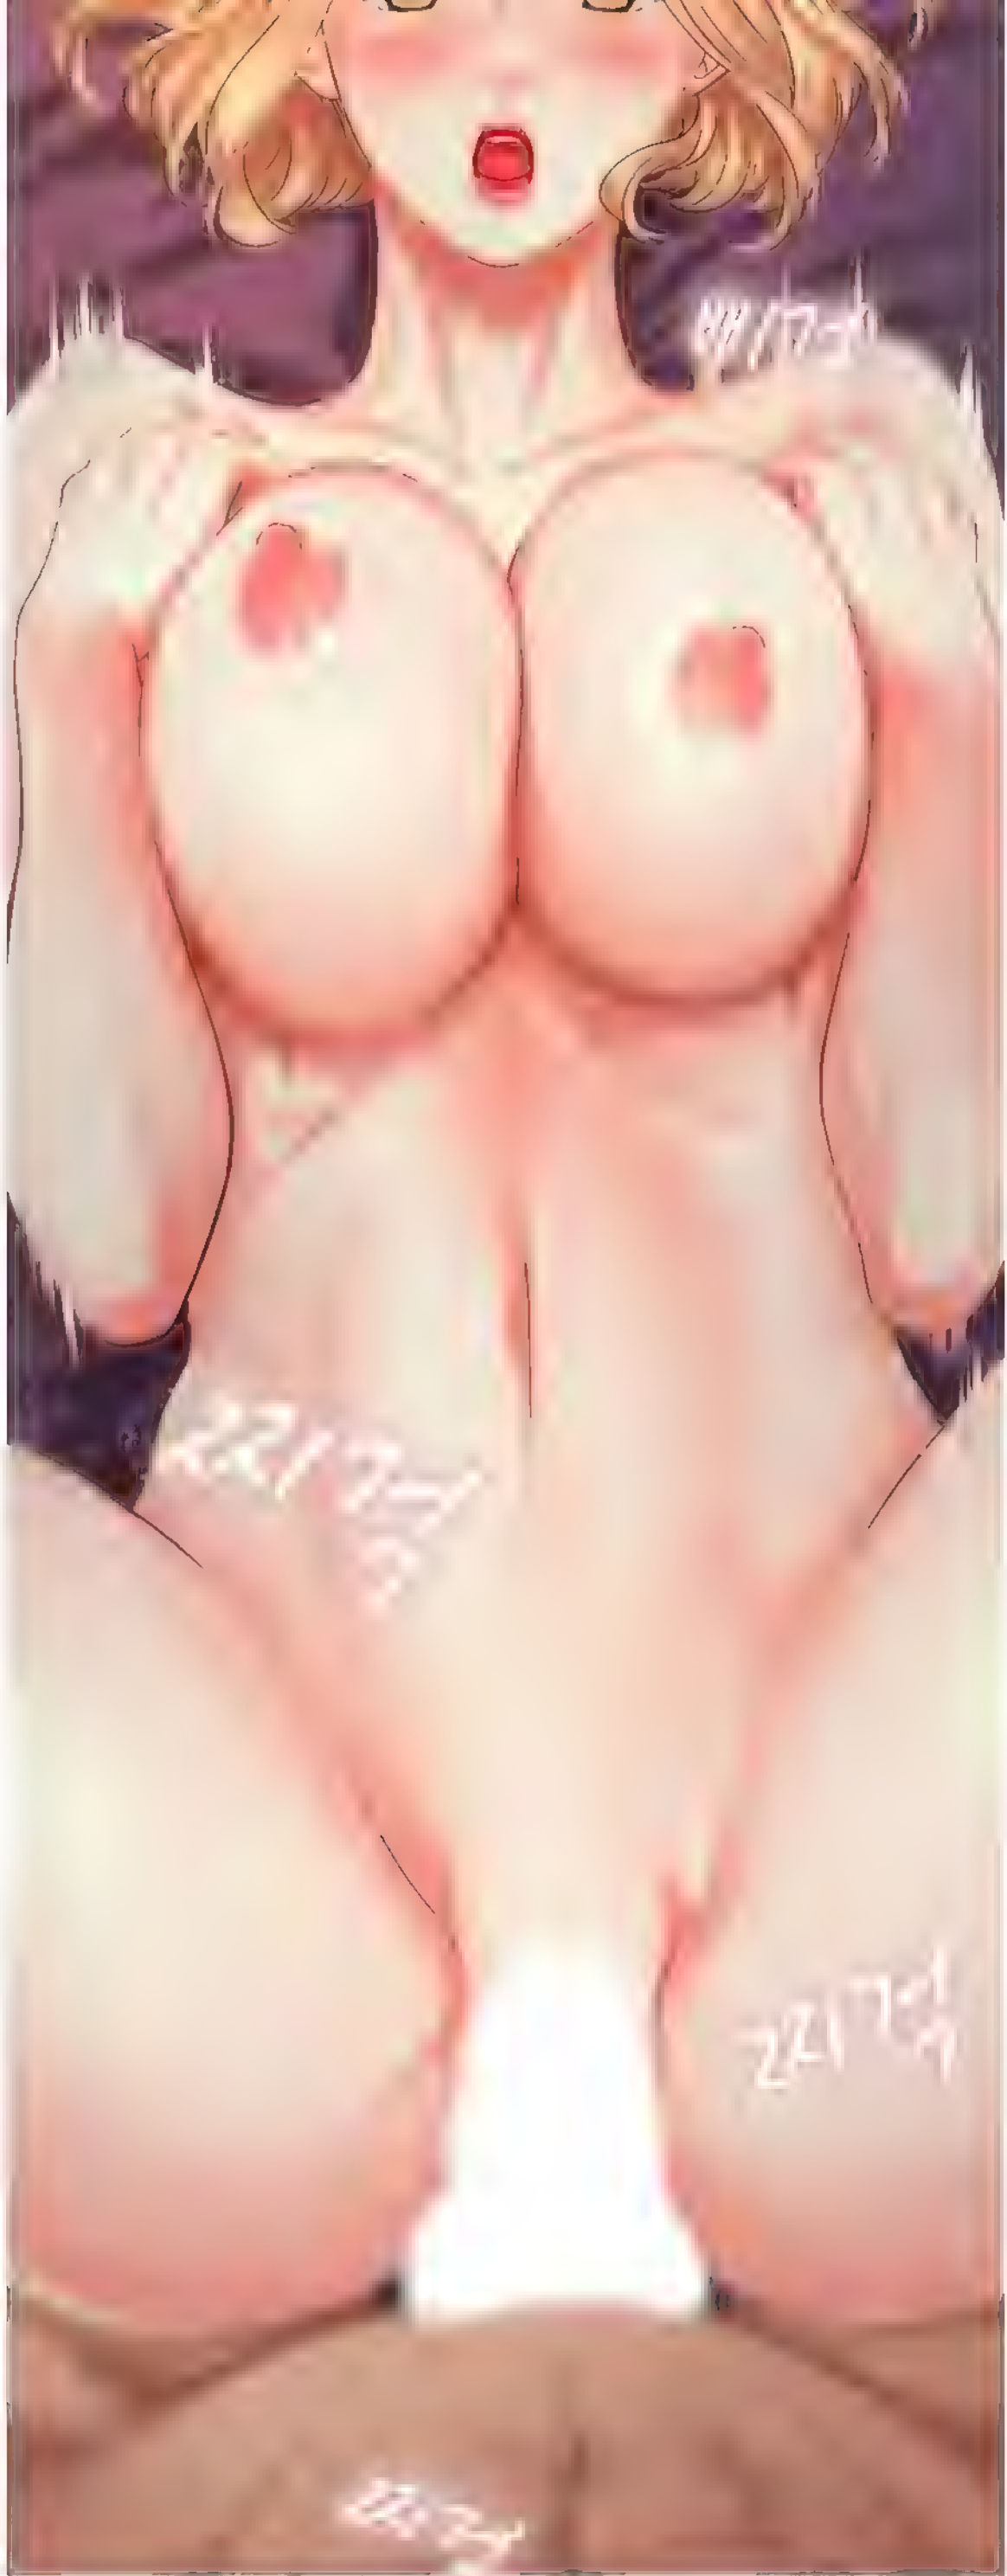

KYA!

So I've to help you
release your desires,

You'll get better at studying!
Do you understand now?

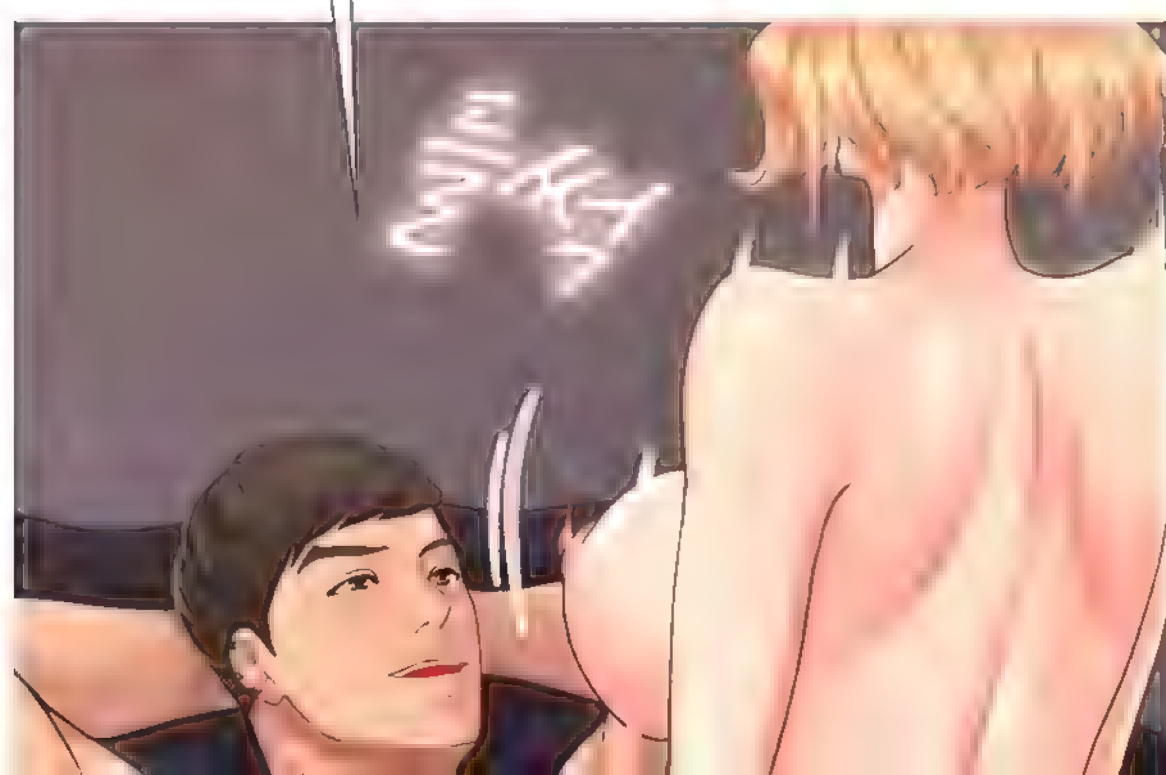

I think I'm starting
to understand what my Oppa
is trying to say

I misunderstood you at first
but you're the real deal, sorry

Now that you know
it's for your own good,
let's spend some time
like this again
in the future

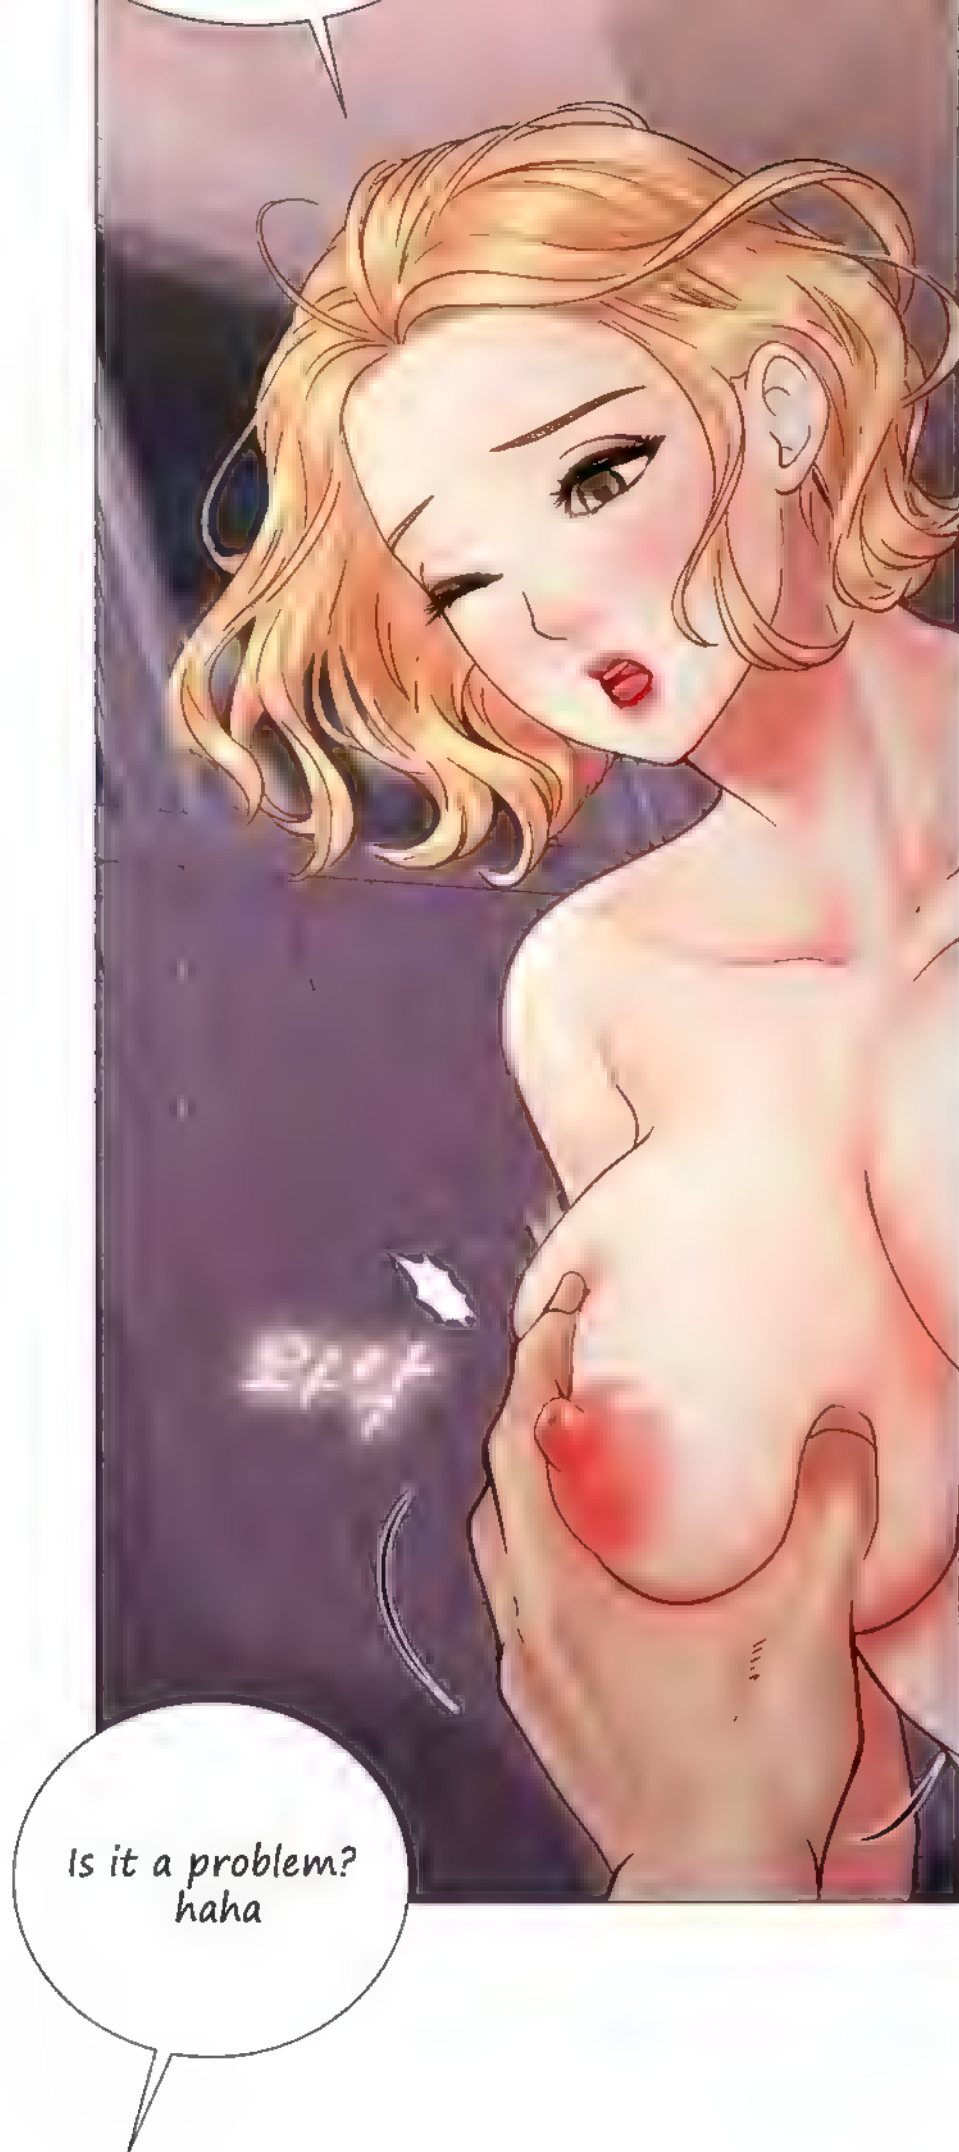

By the way,
when are we going to study?

Should we review
Korean History then?

LIKE THIS?
AGH!

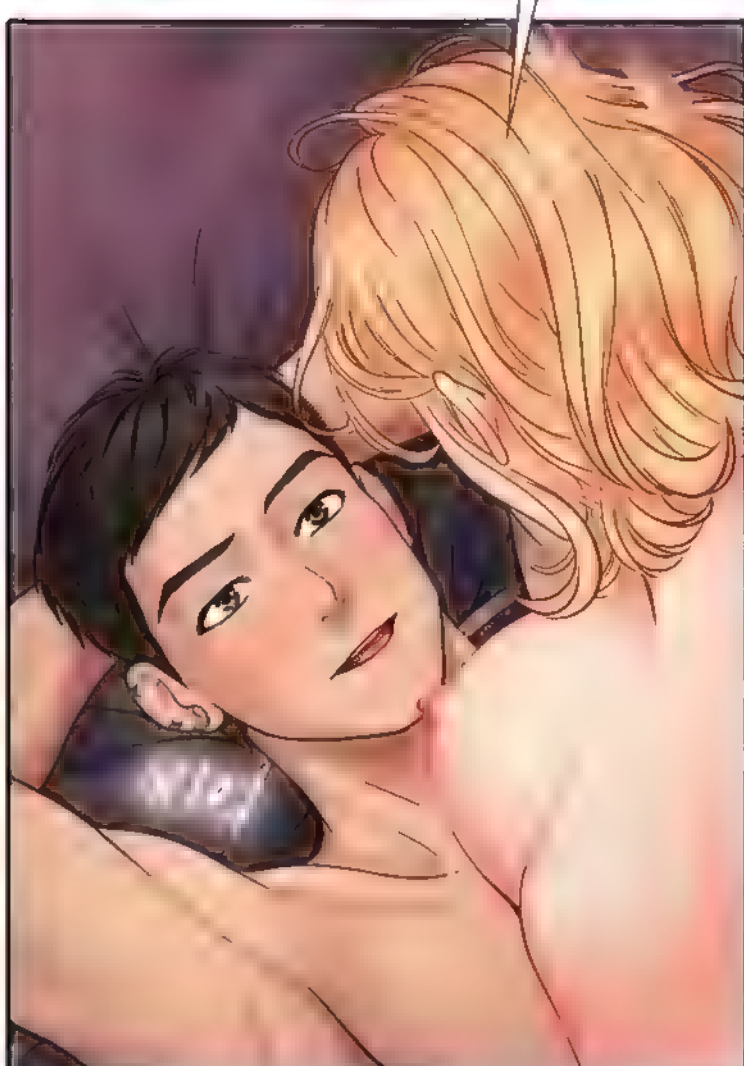

What is Heungseon
Daewongun's name?

Uh? His real name?
Because he was also
part of the royal family...

What was it...?
I think his name was Yi...
